

CALL FOR PAPERS

The Algerian Association of Gas Industry (AIG) is organizing its 6th Symposium on 23th & 24th June, 2019 in Oran, Algeria, under the theme "Natural Gas at the Center of Energy Diversification", to have a fresh look at the Natural Gas positioning and its prospects.

The AIG aims through this edition to provide a forum for discussions and high-level exchanges between key players in the natural gas industry based essentially on keyNotes, round tables and oral communications and posters. For this purpose, the AIG invites you to submit your abstract communications, according to the agenda and thematic axes below:

01 February, 28th , 2019
Deadline for submission
of proposals

02 March, 25th , 2019
Notification to authors

03 April, 30th , 2019
Deadline for submission of
the final communication

04 June, 23th-24th ,2019
the 6th AIG Symposium

THEMATIC AXES

The proposed papers should focus on technical and transversal topics of interest to the natural gas industry, and will be around the main following terms, but not limited to:

1

Natural Gas Resources and the Gas Market Evolution in Africa in and in the World: Prospects, Challenges and Opportunities

Keywords : Reserves, production, consumption, transport networks, LNG, markets, investments, competition, Mediterranean basin

2

Place of Natural Gas in the uses evolution

Keywords : Electricity and heat generation, mobility, LPG, domestic uses, strengths of Algeria in the Mediterranean, climate impact

3

Energy consumption models and technological progress

Keywords : complementarity with ENR, hydrogen sources, etc.

4

Tools & Means for implementing an energy mix favoring Natural Gas

Keywords : rregulation, financing, etc.

5

Innovation and Digitalization serving Gas Industry

Keywords : Advanced Analytics, Smart Systems, Predictive Maintenance, Drilling and Fracturing Techniques, Responsible Shale Gas Operations, Costs and Returns, etc.

SUBMISSION OF PROPOSALS

The abstracts proposed should be sent to symposium6@aig.dz, in the format downloadable from the AIG website: www.aig.dz/Symposium6-Formulaire
